

Isaac Peck, OREP Insurance

Isaac Peck is the Publisher of Working PI magazine and the President of OREP, a leading provider of liability insurance for private investigators. In his 13th year at OREP, Peck has extensive experience advising professionals on risk management, liability, state board complaints, and claims. Today, over 12,000 professionals trust OREP with their insurance and Working PI is the most widely read magazine for private investigators nationwide (25,000+ copies every issue). Peck is a licensed insurance broker in 49 states and holds a Master's Degree in Accounting.
